***ECHOES* at Draft2Digital.com.**

NOW AVAILABLE FOR REVIEW

Memphis, TN – June 17, 2024: Dabrell Thompson announces the publication of his first collection of short stories *Echoes from the Void Galaxy* spanning the genres of crime, mystery, and romance. The collection will be available for \$119 on May 17th, 2024, through the e-book distribution platform Draft2Digital.com.

The collections begin with “Catch the Night” Leonis will stop at nothing to prove his brother is innocent of gruesome murders that have recently plagued Victorian era London.

“Pass from Sight” follows a group of teens in a post-apocalyptic world where half of humanity has vanished from the face of the Earth under mysterious circumstances. The random teens become a part of a mission to find the scientist that may know what happened to humanity.

“My Strange Day Off” follows a workaholic in modern day New York who is stressed and wants a well needed day off. The problem is when he finally gets one, it turns out to be the end of days.

“Mission Compete” follows Bobby & Robby Higgins two standout employees apart of Nasa with two very different goals for the storied company.

This eBook is being published and distributed through Draft2Digital.com. This site is the world’s largest publisher of indie e-books.

Dabrell Thompson is a writer who focuses on science fiction stories. romance. He is on his way towards a BFA in Creative Writing from Full Sail University. He has multiple novels short stories due out next year. A champion for creativity.
